

BioQuest

Dinosaur Trail and Dig

Get ready for the highly anticipated return of the Museum's popular Dinosaur Trail! This new and improved experience will feature lifelike late-cretaceous dinosaur models as well as a dig site where you can use tools of a paleontologist to unearth real fossils and make plaster casts of dinosaur footprints.

EXHIBIT FEATURES:

- Dinosaur Trail and Dig Grand Entry
- Life-sized Dinosaur Models at 6 Exhibit Sites
- Dinosaur High Activity Fossil Dig Site
- Dinosaur Footprint Plaster Casting Station
- Benches and Other Seating Throughout Exhibit Campus
- Landscaped Areas
